What is expected of Award Recipients?

Award recipients are required to share information about their exceptional performance practices with other California organizations. However, recipients are not required to share proprietary information, even if such information was part of their Award application. In addition, Award recipients and their highest ranking official are required to attend the annual spring (Southern California) conference, and conduct a conference workshop which is the principal mechanisms for sharing information.

**Please submit your completed Intent to Apply and check for the \$200 Intent to Apply fee to CCE at:
655 S. Main St., Suite 200 #364, Orange, CA 92868**
